

INT. GIRLS' HOUSE- NIGHT

DELILA a girl with a very dark and unusual look, kicks back on her bed as she discusses  
Their next meal with her friends.

CASSIDY, the most innocent of the group, sits back on her bed, she has a look on her Face as if she doesn't want any part of this, she also looks as if she hasn't eaten in Weeks.

HIPPY, the less attractive and more nerdy girl, lays back on her bed.

DELILA

I say we should go after new blood.

HIPPY

Do you mean, first year students?

DELILA

What else would I mean. They are new to the college and would be less suspicious of us.

HIPPY

How do you suggest that we trap them?

Delila flaunts her body.

DELILA

I can't speak for the rest of you, but every guy wants my body, I can easily invite one to our secretive sanctuary and feed on him right there!

HIPPY

What about me and Cassidy?

DELILA

I keep telling you girls that you need to fix yourselves up! You my dear look like someone straight of a nerd college and Cassidy there looks like she came out

(CONT'D)

DELILA

in the Stephan King Movie, THINNER!

HIPPY and Delila politely laugh.

CASSIDY

Whatever!

DELILA

Look at yourself, you haven't eaten in weeks.

CASSIDY

I told you, I'm not into blood.

DELILA

Well you're a vamp, so live with it. It's not like you can run down the corner McDonalds and grab a burger.

Cassidy gets up from her bed, she looks out the window.

CASSIDY

I never asked to be a vamp. I don't even like drinking blood, it disgusts me!

Delila licks her lips.

DELILA

Well, I could never get enough of it.

Cassidy glances at HIPPY.

CASSIDY

What about you?

HIPPY

I like that we can live forever!

CASSIDY

But at the cost of human lives!
