

MISSY SIDE 1/1

INT. BAR - NIGHT

MISSY, a lovely twenty-something speaks to the camera. She recently downed three Vodka shots, and is feeling a bit TIPSY.

MISSY

Hey there. My name's Missy. I'm twent-seve...one years old. My favorite drink would have to be...I'd say vodka and soda, goes down real easy and makes you drunk pretty quickly. After three, I'm lit! Come join us, it's Girls Night Out!

IMPROV the following, keep each one short, profanity allowed:

1. Your BEER GOGGLES have turned a NERD BOY you rejected earlier in the night into a PRINCE CHARMING. You approach him and FLIRT heavily. He is non responsive, but you want nothing more in the world then for him to MAKE OUT with you.

2. In a moment of true drunken bonding, you reveal to TWO STRANGERS at the bar one of your deepest, darkest secrets. Begin this with the line:

"I know we've only just met, but I feel so close to you, I feel like I can tell you anything..."

3. Some BITCH spills her drink all over you. What do you do?

4. It's the morning after some heavy partying. In hung over mode, explain how your night went.

5. DANCE drunkenly to Beyonce's "NAUGHTY GIRL" (We will provide music)
