THREE WAITERS arrive with a cake with sparklers on it.

WAITERS

(to the tune of "we wish you a merry Christmas")

We wish you a happy birthday... cha-cha-cha...

The arguing stops, and everyone's embarrassed. They clap along with the song. It's awkward.

WAITERS (CONT'D)

We wish you a happy birthday... cha-cha-cha... We wish you a happy birthday... cha-cha-cha... Now make a big wish!

STEPHANIE

I'm wishing that all my friends would get along!

(blows out the candles; then...)

Not really. I wished for a car.

Stephanie and Georgia are trying on boots at a trendy Western wear boutique.

STEPHANIE

Do these make my butt stick out?

GEORGIA

Yes.

STEPHANIE

Good. Now you find a pair.

GEORGIA

STEPHANIE

What do you mean?

GEORGIA

Spending this much money on ironic footwear.

STEPHANIE

Please. It's my birthday.
